4. Matters arising: - None.

5. Torbrex Village Traffic: - ****Note** – This meeting had been convened to discuss a single item of business, traffic calming proposals for Torbrex Village. Thereafter members were invited to attend the second half of the local Area Planning Forum which was also being held in Stirling High School.

Officials from Stirling Council's Roads Dept. delivered a presentation on possible options for addressing the problem of traffic in the village. Following the presentation there was an open discussion which considered the various options being put forward Stirling Council Roads Officials.

It was agreed that the best way forward was to vote on the options. The vote resulted in members opting for speed humps and the retention of a through route. It was agreed that Stirling Council Roads Officials would carry out further work on the preferred option and report back to the Community Council
